

IMPORTANT INFORMATION FOR SOUTH ZONE ORDERING PROVIDERS

FACT SHEET: SOUTH ZONE NEW SPECIMEN DROP OFF LOCATIONS

New Drop Off Locations for Specimens Collected in Community Clinics

Starting **February 27, 2023**, community specimen drop offs will discontinue at the following Acute Care Hospitals and Urgent Care Centres:

- Brooks Health Centre
- Chinook Regional Hospital (Lethbridge)
- Medicine Hat Regional Hospital

Healthcare providers who previously dropped off specimens at the hospital will now need to drop off specimens at the following DynaLIFE Patient Service Centres (PSC). Routine specimens will be directed to the Calgary DSC for testing and community "STAT" tests will be routed to the nearest regional lab.
